

Notification of Meeting

Alert and Warning Working Group

**March 27, 2008
9:00am to 12:00 noon
OES Headquarters, Mather, CA**

Through Assembly Bill (AB) 2231 (Chapter 764 of the Statutes of 2006), the Governor's Office of Emergency Services (OES) has also been charged to examine policies, procedures and a framework for public-private partnerships with providers of mass communications systems to enhance public access to emergency alerts, warnings and notifications.

OES will be convening the first meeting of the Alert and Warning Working Group on March 27, 2008, from 9:00am to 12:00 noon, at the OES Headquarters, 3650 Schriever Avenue, Mather, CA 95655.

**Interested parties are encouraged
to attend this public meeting**

RSVP Required for Security Purposes

Please RSVP by March 20th to Tyler Block at tblock@ccp.csus.edu

FOR MORE INFORMATION

In August 2007, OES conducted stakeholder workshops that brought together subject matter experts in government and industry to review current efforts and discuss California's alert systems and capabilities, with a specific focus on wireless systems. The workshops were an important first step to gather input on initiatives set forth by both the Lieutenant Governor and AB 2231. Information about the workshops can be found on the OES website at:

<http://www.oes.ca.gov/Operational/OESHome.nsf/ALL/7A99C56B83C24B4788257339005BD548?OpenDocument>

Check the above Alert & Warning website for the meeting agenda & other materials.

If you would like more information about the project please contact Natalie Torres, OES, Natalie.Torres@oes.ca.gov or (916) 845-8526.
